

Baystate Organic Certifiers Certification Program

April 2014 List of Local/Northeast Area Fertilizers, Compost, and Potting Soils

Approved for use on Certified Organic Farms

All Products on the NOFA 2013 Bulk Order Form have been reviewed, and except as noted on the Bulk Order Form, meet the requirements of the National Organic Standards.

Products listed carry one of the following designations:

Allowed (A) materials may be used on certified organic land and crops.

Restricted (R) materials may be used on certified organic land and crops only with certain restrictions. In most cases, careful records of all restricted inputs must be kept.
